[DIALOP](#) and [CITTA NUOVA](#) invite you to a reflection on ways out of vicious cycles of war.

With Walter Baier, Nicoletta Denticò, Tommaso Greco
Moderation Carlo Cefaloni

This webinar brings together voices from Marxist and Christian backgrounds that, through dialogue, have reached a common ground of unequivocal rejection of war and its legitimization – both in conscience and in shared action.

Walter Baier is the leader of the Party of the European Left since December 2022 and was the party's lead candidate for the European Commission in the 2024 election. He is co-founder of DIALOP.

Nicoletta Dentico is a journalist and writer. She led the Campaign to Ban Landmines in Italy, then directed Médecines Sans Frontières (MSF), inaugurating the migrants' programs in the Southern regions of Italy.

Tommaso Greco is Professor of Philosophy of Law at the University of Pisa, he directs the Interdepartmental Center for Bioethics.

Moderation

Carlo Cefaloni is a political journalist at the Italian Città Nuova magazine. He is the coordinator of the group "Economia Disarmata".
